 Other common areas <ul style="list-style-type: none"> Entrance hall Hallways Elevators Circulating in the school 					 Following the guidelines issued by the CNESST	
 Indoor sports facilities <ul style="list-style-type: none"> Sports complex Gymnasium Pool Skating rink 	If maintaining a distance of 2 m is not possible during Physical Education and Health classes , then students must wear a procedural mask, even while exercising		 Mask may be removed during a physical activity	 Mask may be removed during a physical activity	 Following the guidelines issued by the CNESST	 Mask may be removed during a physical activity
 Outdoor areas <ul style="list-style-type: none"> Skating rink Sports field 					 Following the guidelines issued by the CNESST	 If a distance of 1 m is maintained
<ul style="list-style-type: none"> School grounds 					 Following the guidelines issued by the CNESST	
 School transportation and public transit					 Following the guidelines issued by the CNESST	
 Theatre and auditorium					 Following the guidelines issued by the CNESST	

Important: If a person tests positive for COVID-19, the wearing of masks becomes mandatory **at all times (including during physical activities)** for the entire class for 10 days. The public health authorities will notify the school staff and the parents of the students concerned.

1. These guidelines do not apply to preschool students. However, preschool students must wear a mask when using school transportation (bus or sedan) with students from other educational levels.
2. Any individual carrying out work at the school (e.g. guest speaker, science facilitator) is subject to the guidelines pertaining to wearing a procedural mask in the workplace.

Rules pertaining to procedural masks complement the other health measures in place.
