

**Daily Numbers for the Province – Public and Private School Systems
Highlights – September 28, 2020**

The information presented in this report was updated on Monday, September 28, at 4 p.m. The Ministère de l'Éducation gathered this data from all 72 school service centres / school boards (including 2740 educational institutions) and from all 257 private schools across the province. The data reflects the situation in general education in the youth sector, vocational training and adult general education. For information purposes, please note that there are just over 1 300 000 students and over 226 000 staff members in the public and private school systems.

NEW

Starting with the report published on September 28, schools that have not reported any new positive cases with a diagnosis in the previous 14 days will be removed from the list. To provide a more accurate picture of the situation, each report will indicate **the number of schools removed from the list** since the last update, as well as **the number of schools with at least one active case** on the day the data was gathered.

Confirmed <u>active</u> positive cases in the school system, as at September 28, 4 p.m.
