

**Daily Numbers for the Province – Public and Private School Systems
Highlights – January 19, 2021**

The information presented in this report was updated on Tuesday, January 19, at 4 p.m. The Ministère de l'Éducation gathered this data from all 72 school service centres / school boards (including 2 740 educational institutions) and from all 254 private schools across the province. The data reflects the situation in general education in the youth sector, vocational training and adult general education. For information purposes, please note that there are just over 1 300 000 students and over 226 000 staff members in the public and private school systems.

Note: The data in this report includes students continuing their education through distance learning.
