# A MESSAGE FROM OUR AGENT-GENERAL

What a remarkable year it has been! Following the haunting silence of the pandemic, Québec artists have returned with a bang. We proudly hosted ten remarkable artists at the Edinburgh Fringe, and experienced “Québec Spring” in the UK, where 11 artists graced four music festivals.

A sign of our artists’ growing concern for sustainability, our artistic residency programmes continue to gain popularity. If you are interested in forging connections with Québec, please don’t hesitate to contact our culture team. Watch this space for new application calls.

The Québec Government Office in London is part of a network comprising 37 representations worldwide. The culture team plays an important role in the growth of Québec’s artistic and cultural sectors across the United Kingdom, Ireland and the Nordic countries. Their mandate involves cultivating relationships between Québec and local partners across all art forms. This collaborative effort extends to international organisations seeking to engage with Québec partners in the pursuit of creative collaborations.

Wishing everyone an incredible festive season, and may you be able to enjoy some inspiring art and culture from Québec over the coming months!

Sincerely,

**Line Rivard**  
Agent-General, Québec Government Office in London

# CONGRATULATION TO UP COPENHAGEN!

We are absolutely thrilled to announce the official opening of the Development Platform for the Performing Arts (Udviklingsplatformen for Scenekunst or UP). After a dedicated three-year effort to find the perfect location in Copenhagen, UP is now proudly situated in the vibrant Nørrebro neighbourhood.

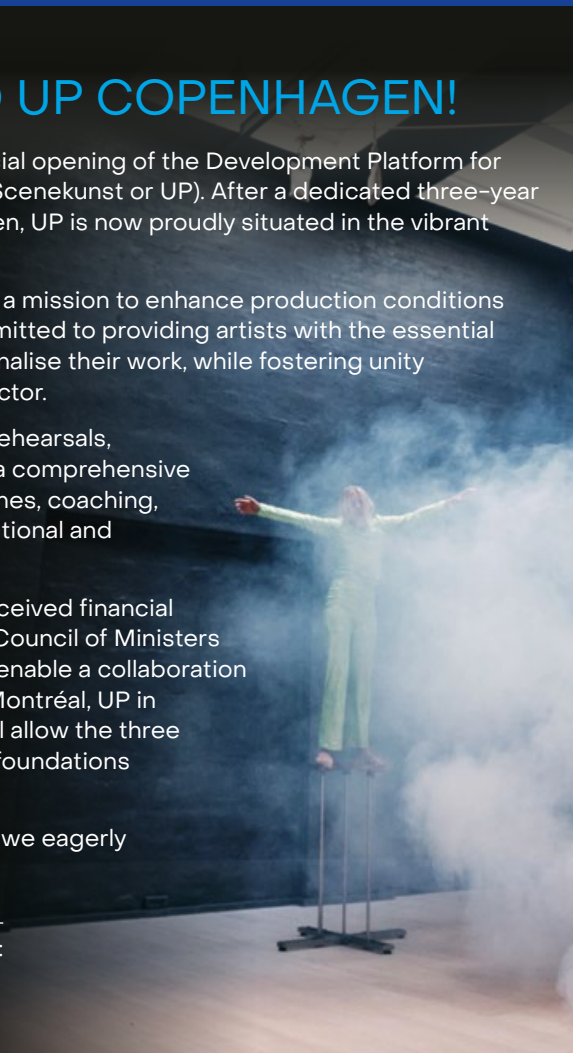

Under the leadership of Mikkel Harder, UP is on a mission to enhance production conditions for artists in the performing arts. They are committed to providing artists with the essential tools to promote, commercialise and internationalise their work, while fostering unity and collaboration within the performing arts sector.

The new UP premises not only offer space for rehearsals, creative work, and production but also feature a comprehensive support system, including mentoring programmes, coaching, a series of seminars and webinars, as well as national and international exchange opportunities.

Speaking of international exchanges, UP has received financial support this year through the Québec-Nordic Council of Ministers call for collaboration projects. This funding will enable a collaboration between the Centre de Création O Vertigo in Montréal, UP in Denmark and DAVVI in Norway. This support will allow the three partners to share best practice and set up the foundations for future exchanges between them.

“Tillykke!” to Mikkel and the entire UP team, and we eagerly anticipate future collaborations!

## SARAH BERNSTEIN

## Study for Obedience

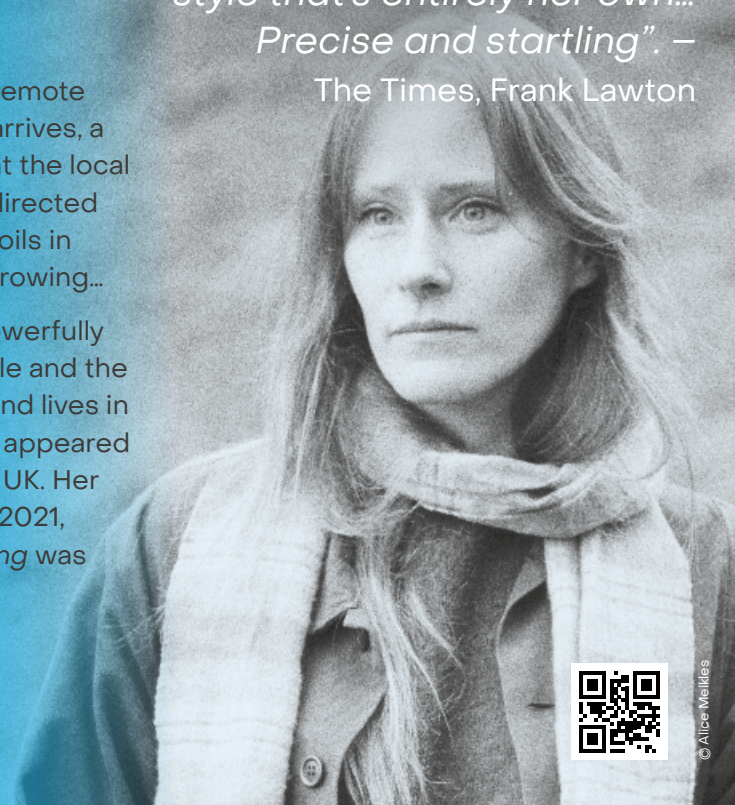

Out now  
UK

A woman moves from the place of her birth to the remote northern country of her ancestors. Soon after she arrives, a series of unfortunate events occur. She notices that the local suspicion about incomers in general seems to be directed with some intensity at her. However diligently she toils in service of the community, she feels their hostility growing...

Sarah Bernstein's unsettling and beguiling novel powerfully explores questions of identity, ancestral shame, exile and the impossibility of return. Bernstein is from Montréal and lives in the Northwest Highlands in Scotland. Her work has appeared in *Granta* and other publications in Canada and the UK. Her first novel *The Coming Bad Days* was published in 2021, and her poetry collection *Now Comes the Lightning* was published in 2015.

"One of the year's best novels..." –  
Cal Revely-Calder, *Daily Telegraph* (★★★★★)

"Bernstein has an ambitious  
style that's entirely her own...  
*Precise and startling*". –  
The Times, Frank Lawton

## GABRIELLE FILTEAU-CHIBA

## Feral

Published 4 January 2024  
UK

*Feral* is a feminist eco-thriller, a passionate love story and an ode to nature's ferocious beauty.

Raphaëlle, a forest warden, has been estranged from her family for many years. She lives with her beloved dog, Coyote, in a caravan deep in the Canadian woods. Cut off from civilisation, she is always armed, protecting herself from wild animals who she in turn defends from overzealous poachers. Soon after Raphaëlle discovers animal footprints outside her cabin, her dog vanishes and is eventually found severely injured. It is not long before Raphaëlle herself becomes the prey of the forest's ultimate predator: man.

Gabrielle Filteau-Chiba is a writer and environmental activist. In the winter of 2013, she left her job, home and family in Montréal, sold all her worldly belongings and moved into a wooden cabin for three years in Québec's remote Kamouraska region. *Feral* is her second novel.

"A gripping thriller and an ode to  
nature's preservation". –

## JUDY HUNG

La Vinciolina

17 March 2024

St Mary's Episcopal Church

Aberfoyle, UK

Montréal-based Judy Hung is a violinist, pianist, and violoncellist da spalla and the founder and artistic director of L'Orchestre symphonique des jeunes de Vaudreuil-Soulanges.

After the successful release of *Essence Baroque* in 2022, Hung's follow-up album *Essence Romantique* was released in October 2023. The album is recorded on historical pianos, chosen for their ability to provide an authentic depth of interpretation from the Romantic era. The selected repertoire highlights the expressive Romanticism of 19th-century music. By playing on historic pianos, Hung provides contemporary audiences with a fresh and new listening experience.

*La Vinciolina* is a programme featuring important Renaissance and Baroque instrumental works by significant 17th and 18th century Italian composers.

## CARLYN

## Québec @ Future Echoes

21-23 March 2024  
Norrköping, Sweden

Born in Annapolis, Maryland and based in Montréal, Carlyn is the self proclaimed “nightmare pop” artist who claims influences like Syd Barrett, Muse, Britney Spears and Madison Beer as guiding her creative process. To see her in concert is to see those influences brought to life, alongside the bravado and showmanship of some of the 80s’ best rock bands mixed with some of the more recent popular pop acts. Over the last year, Carlyn has written and recorded her first full-length album.

Carlyn, signed to Indica Records, will perform at the leading showcase festival Future Echoes. Future Echoes’ 2023 edition presented 15 Canadian artists with a focus on female and non-binary artists. In 2024 the focus will be on Québec and its music industry.

## LE PATIN LIBRE

### Murmuration

5 January – Winpos Arena, Umeå, SE

7 January – Swoosh Arena, Lycksele, SE

9 January – Husby Ishall, Stockholm, SE

11 January – Kungsbacka Ishall, Kungsbacka, SE

Le Patin Libre surprised the world of dance with their ice-bound choreography. After two successful tours with Dansnät Sverige, it is time for them to once again steal the hearts of Swedish audiences. Inspired by the astonishing aerial ballet of flocks of birds, 15 skaters take us on a unique dance experience. Soaring high and with dramatic changes of direction, they explore the dynamic interaction within a flock, all within a powdery cloud of ice crystals.

With only the ice, skates and their bodies as instruments, Le Patin Libre's work has often been described as "contemporary dance on ice". The company was founded in 2005 by former professional fantasy skaters who wanted to find freer ways to express themselves. Far from mere stereotypes, the company creates works that leverage the incredible scenic and choreographic possibilities of gliding.

## CIRQUE DU SOLEIL

## Alegría

11 January–3 March 2024  
 Royal Albert Hall  
 London, UK

Cirque du Soleil returns to London to celebrate the 30th anniversary of its internationally acclaimed classic *Alegría* at the iconic Royal Albert Hall. This will mark the European premiere of the revival production of *Alegría*, a creative reinterpretation of the 1994 touring show in a whole new light. It has become one of the most beloved shows, mesmerising over 14 million spectators in 255 cities across 40 countries. In 2019, the show was revived and creatively reinterpreted to inspire today's audiences.

Cirque du Soleil is a world leader in live entertainment. In addition to producing world-renowned circus arts shows, the company brings its creative approach to a large variety of entertainment forms, such as multimedia productions, immersive experiences, and special events. ## Ovo

21–24 March – SSE Hydro, Glasgow, UK  
 27–31 March – AO Arena, Manchester, UK  
 4–7 April – First Direct Arena, Leeds, UK  
 11–14 April – M&S Bank Arena, Liverpool, UK  
 18–21 April – 3Arena, Dublin, Ireland  
 25–28 April – Utilita Arena, Birmingham

Ovo means “egg” in Portuguese. A magnificent ladybug captures the eye of an awkward, unusual insect who has just moved into this lively neighbourhood, and the two instantly fall in love. The show plunges the audience into the hidden universe alive at our feet; an ecosystem teeming with life and unseen beings – insects that live among each other in an ongoing explosion of energy and movement.

## ENZO LORD MARIANO

### Québec Studio in London

The Québec Studio in London is proud to welcome Enzo Lord Mariano. Born in Montréal, Enzo is both a musician and an illustrator. Passionate about the mandolin since his adolescence, he has demonstrated, against all odds, that this instrument holds a significant place in the world of jazz and improvised music. He is currently composing original music for various musical projects. He also illustrates children's books and comics. He has published around fifteen books in collaboration with renowned Québec publishers such as D'eux, Fonfon, La courte échelle and Glénat.

### About the Québec Studio in London

The Conseil des arts et des lettres du Québec supports the goals of the Québec government to broaden the presence of Québec artists in internationally renowned cultural communities. In 2008-2009, in partnership with Québec's Ministry of Culture and Communications and the Ministry of International Relations and the Francophonie, it established the Québec Studio in London, thereby expanding the network of residencies offered abroad to Québec artists and writers.

## ALEXIA LAFERTÉ-COUTU

### Darling Newhaven Residency

Edinburgh Sculpture Workshop  
Edinburgh, UK

Sculptor Alexia Laferté-Coutu was the first Québec artist to be welcomed as a resident in the Darling Newhaven exchange this autumn. She spent time at the Edinburgh Sculpture Workshop and travelled to Arbroath to visit Hospitalfield House.

Alexia Laferté-Coutu lives and works in Montréal. Laferté-Coutu's work has been exhibited internationally. During her residency, Laferté-Coutu documented historic wells in Edinburgh thinking about their curative powers. She adds layers to these historic places, seeing if this can evoke new myths.

### About the Darling Newhaven Residency

This is the first year of a three-year exchange programme that aims to connect Scottish and Québec-based artists and organisations.
