- Arizona–Québec trade reflects a robust, high-value industrial partnership driven by collaboration in aerospace and advanced manufacturing.

- Arizona sends Québec turbojets, aircraft parts, and electrical systems, while Québec supplies Arizona with trucks, aircraft, and specialized industrial goods.

- In 2024, each ranked as a top-tier partner for the other in strategic sectors, underscoring a deeply integrated supply chain.

## CREATING AND MAINTAINING JOBS

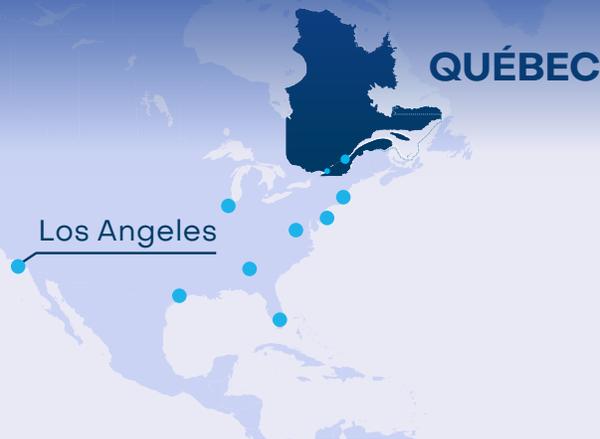

- 30 Québec companies are active in Arizona, supporting jobs, investment, and local supply chains.
- 12 Arizona-based companies operate in Québec.

## INVESTING IN ARIZONA

- Québec companies invested more in Arizona than larger economies such as France or Australia.
- From 2016 to 2026, Canada ranked as Arizona's 3<sup>rd</sup>-largest global source of FDI projects, with a significant share coming from Québec.
- Arizona ranked as the 4<sup>th</sup> U.S. destination for Québec FDI, concentrated in ICT, electronics, and industrial equipment.

## QUÉBEC GOVERNMENT OFFICE IN LOS ANGELES

## FACTS

- **A shared commitment to deepen cooperation:** A Declaration of Intent signed in 2024 affirms our mutual desire to strengthen collaboration and expand opportunities for cooperation.
