THE MINISTER OF HEALTH AND SOCIAL SERVICES,

CONSIDERING section 118 of the Public Health Act (chapter S-2.2), which provides that the Government may declare a public health emergency in all or part of the territory of Québec where a serious threat to the health of the population, whether real or imminent, requires the immediate application of certain measures provided for in section 123 of the Act to protect the health of the population;

CONSIDERING Order in Council 177-2020 dated 13 March 2020 declaring a public health emergency throughout Québec for a period of 10 days;

CONSIDERING that Ministerial Order 2020-003 dated 14 March 2020 provides in particular that a returning officer must cancel any electoral poll and any advance poll connected to an electoral poll scheduled to be held during the period covered by the declaration of a public health emergency, as well as any advance poll held before the coming into force of the Ministerial Order that is connected to an electoral poll scheduled for a day included in that period;

CONSIDERING that the current situation of the COVID-19 pandemic allows for the easing of certain measures set in place to protect the health of the population, while maintaining some of the measures necessary to continue that protection;

ORDERS AS FOLLOWS:

THAT Ministerial Order 2020-003 dated 14 March 2020 be revoked;

THAT this Ministerial Order take effect on 7 August 2020.

Québec, 6 2020
