1. Access Québec Emploi with clicSÉQUR

The government authentication service clicSÉQUR – Citoyens keeps your personal information secure whenever you access the Québec Emploi website.

To log in to Québec Emploi, you must enter your user code and password on the clicSÉQUR – Citoyens login page.

If you do not have a clicSÉQUR – Citoyens account, you can easily create one by consulting the page How can you create a clicSÉQUR account?

Once you are connected, the Québec Emploi terms of use will be displayed. We ask that you read them carefully. By agreeing to them, you are confirming that you will respect the terms of use of the Québec Emploi online service.

2. Create an Applicant Profile

Finalize Registration

The Finalize registration page is displayed only when you sign in for the first time. Fields marked with an asterisk are mandatory.
You must also confirm your email address using the Confirm email address button. Click on Send me a confirmation code. You will then receive a verification code at that address.

Enter the code and click on Confirm email.
Once the email address is confirmed, you will have to choose the type of job you are looking for. For residents of Québec, 3 types of job are available: regular, student and internship. “Regular” is the default setting for residents of Canada.

Students and interns must enter their permanent student code.

Foreign applicants who live outside Canada must provide data from their Certificat de sélection du Québec (CSQ – Québec selection certificate) issued by the Ministère de l’Immigration, de la Francisation et de l’Intégration.

Once you have filled out all the mandatory fields, click Continue on the Finalize registration page in order to access the Dashboard page of Québec Emploi.

Dashboard

The dashboard contains information that will be of use to you, such as the number of times your profile was visited in the past 30 days, the number of job applications you have made and the list of applications that you are considering.

The menu on the left allows you to access the various pages that must be filled out in order to create your Applicant profile. To increase your chances of being noticed by an employer, fill out all of the pages featured in this menu.
Personal Information

This page lets you enter your contact information (first name, last name, address, telephone number). It also gives you an opportunity to consent that your profile may be shown to employers registered with Québec Emploi. If you agree, employers will be able to contact you by email or telephone with job listings that match your profile. They will have access to your résumé and cover letter if those documents are found in your profile.

The consent box can be unchecked at any time should you no longer wish your profile to be visible to employers.
Professional Information

Use this page to add professional information such as the date from which you are available and the minimum and maximum number of hours you wish to work per week.

You can also upload your résumé and cover letter by clicking on the Add a document button at the bottom of the page.

Job Preferences

The Job preferences page is key to letting employers know which positions you are looking for.

The Job title field contains a list based on the National Occupation Classification. Choose the job that interests you and add how many months or years of experience you have. You can add more than one job and rank them by order of preference.
Education

This page allows you to indicate the training programs you have taken.
Skills

This page lets you indicate 3 skills from a list of 23. A description of each skill is displayed automatically.
