

Income in 2025 as compared to 2024

The student's spouse must fill out the form if the spouse is required to contribute toward the cost of the student's education and expects that spouse's for the 2025 calendar year will be at least 10% less than that for 2024.

Reserved for Aide financière aux études

Section 1 – Spouse's Personal Information

Last name

First name

Date of birth Y M D

Social insurance number

Section 2 – Student's Personal Information

Last name

First name

Permanent code assigned by the Ministère

Section 3 – Assessment of Financial Resources for 2025

Assessment of income to be reported to Revenu Québec

Please provide your income for the 2025 calendar year. Add the amounts you expect to receive by December 31, 2025, to those you have already received to date. If you have no income to report, enter zero.

To determine your total income, follow the procedure used on the 2024 Québec income tax return form. Your total income for 2025 is the amount that would appear on line 199 of the income tax return.

(Round off to nearest dollar)

A. Total income **earned to date** \$.00

B. Total income you expect to **earn between now and December 31, 2025** \$.00

Total income (A + B) \$.00

Assessment of income to be reported in another province or country (not to be reported to Revenu Québec)

At a later date, you will be required to provide a copy of the income tax return you filed in another province or country or a letter from the embassy of the country concerned confirming your total income for 2025 in Canadian dollars.

C. Gross income **earned to date** \$.00

D. Gross income you expect to **earn between now and December 31, 2025** \$.00

Total income (C + D) \$.00

Section 4 – Reasons for Drop in Income

Indicate the reason for the drop in your income by checking the appropriate box then, in the space provided, list your sources of income (employment income, self-employment or business income, employment insurance benefits, etc.) up to December 2025. Include all useful information.

- Loss of employment
- Closure or bankruptcy of your business
- Retirement
- Illness or accident

Sources of income up to December 2025 and other useful information _____

Section 5 – Supporting Documents

You must provide relevant supporting documents in order for the drop in your income to be taken into account in determining the amount of your contribution. Your supporting documents must show the amount of your income from January 1 to December 31, 2025. If you had no drop in income, no documentation is required.

Check off the supporting documents you are enclosing with this form.

- Pay slip
- Letter from your employer confirming the income you have earned to date
- Pay slip stating cumulative income
- Employment insurance (benefits statement)
- Proof of income replacement benefits paid by the SAAQ or CNESST
- Proof of salary insurance
- Other documents, such as self-employment financial statements

Section 6 – Signature

I certify that the information provided is accurate and complete.

Signature **X** _____

Date

Y	M	D

Section 7 – Protection of personal information

By completing this form, you consent to Aide financière aux études collecting your personal information to process your application. Without this information, your application cannot be analyzed and you will not be able to obtain the financial assistance to which you are entitled. You can change your personal information directly in your file or by contacting us using the information listed on this form.

Important

1. You must inform us in writing as soon as possible of any change occurring after the date of this declaration that affects the income you earned or expect to earn for 2025. An increase or decrease in income may affect the amount of financial assistance awarded to the student. You must inform Aide financière aux études in writing and indicate the new amounts to be taken into consideration in processing the application for financial assistance.
2. Any false statements may result in penalties or legal action. If you fail to report income you have earned, the student may be required to repay part or all of the financial assistance awarded to him or her.
