

# Québec Roulez vert Program Application to Register a New Vehicle

This application must be completed by vehicle manufacturers that wish to submit a new light-duty vehicle for the Roulez vert program. The information provided in this application will be used by the Ministère de l'Environnement, de la Lutte contre les changements climatiques, de la Faune et des Parcs (MELCCFP) to examine whether the vehicles submitted are eligible and, if so, to determine the amount of financial assistance to grant under the program's conditions.

This procedure applies to all-electric vehicles, fuel cell (hydrogen) vehicles, plug-in hybrid vehicles, electric motorcycles, and limited-speed electric motorcycles.
