Distribution of the number of daily deaths related to the COVID-19 according to their living environment, All of Québec, 2020

Source: V10, MSSS (Updated on May 17, 2020 at 6 p.m.)

Note 1: A total of 10 deaths does not appear on the graph because the date of death is missing.

Note 2: The reported number of deaths in the grey area may be underestimated due to a delay in reporting the death or in the data input.
