

TO : ALL HEALTH CARE PRACTITIONERS

This letter is to serve as a reminder that once a RENFLEXIS® patient is enrolled in the MERCK HARMONY® Patient Support Program, the MERCK HARMONY® coordinators will organize all infusion logistics and will help your patients find the most appropriate location of their infusions.

For your information only, please find below the current list of infusion locations for your RENFLEXIS® patients (as of April 13, 2021). Please note that evening and weekend appointments may be available with some clinics.

If you require additional information you can either call MERCK HARMONY® at 866-556-5663 or reach them via email at: info@merckharmony.ca
